Dear Madam:

Replying to your letter of recent date, the record index to Revolutionary service contains references to Elnathan Haskell of Rochester as Sergeant, Lieutenant and Captain between 1775 and 1783, and a certificate of the same will be sent you on receipt of the required fee of one dollar.

As there were more than one hundred Haskells and thirty Bosworths who served in the Revolution and half as many more in the War of 1812, a list such as you desire cannot be furnished.

The service records in possession of this Commonwealth of all men serving in the Revolution are to be found in "Massachusetts Soldiers and Sailors of the Revolutionary War" and of those serving in the War of 1812 in the "Records of the Massachusetts Militia in the War of 1812-1814", both official publications, which are in your state library.

Very truly yours
